

Community Campus Security Safety Meeting

2/20/19

11:00-12:00 p.m.

Attendees: Ken Kunkle, Blake Carlsen, Patrick Patterson, Justin Goldsmith, Mandy Decker

Patrick Patterson presented out on a company, Stanley Security, who have over 100 locations across North America and representatives that live in our area. The company specializes in providing feedback to organizations to create security systems and recommend products. Superintendent Pinkerton will reach out to Stanley Security and set an appointment with a representative.

The committee reviewed and agreed to the recommendations made in the security audit in completed by PACE representative Brian Wolfe. Crime prevention through environmental design is the biggest component to the redesign. Weneha Group representative, Steve Rogers, will receive the formal report which will guide the facility assessment and long term planning of facilities on Enterprise School District campus.
