**ADDENDUM #01**

**Enterprise School District #21  
RFP 2021-001 Architectural Services for 2020 Bond Projects**

**Addendum #01**

---

Enterprise School District #21 received the following requests for clarification associated with RFP 2021-001, Architectural Services for 2020 Bond Projects.

Please ensure you reference acknowledgement of this Addendum, #01, in your respective proposal.

**Question #01:**

*Page 3 of the RFP includes the language below.*

*Each proposal package will consist of:*

- 1. Schedule, Scope of Work and Specifications*
- 2. Proposal Terms and Conditions*
- 3. Proposal Forms and Attachments*
- 4. Vendor Checklist*

*Page 5 of the RFP, Project Schedule section indicates a project schedule will be developed collaboratively post-selection with the architect, Wenaha, Owner and CM/GC contractor. I don't see anything in the Proposal Content for Evaluation (starting on page 7) that requires Proposal Terms and Conditions.*

*My question - Are items #1 and #2 above submittal requirements, and if so, what form should they take?*

**Answer #01:**

*Please see the revised Proposal Package Requirements:*

- 1. Scope of Work*
- 2. Proposal Terms and Conditions*
- 3. Proposal Forms and Attachments*

**Question #02:**

*The Proposal Format Requirements (page 9) request "...25 standard pages, single sided..."*

*Understanding the page limit for printed page sides to be 25, may we print proposals double-sided?*

**Answer #02:**

*Respondents may submit proposals printed double-sided, so long as the page count does not exceed (25) total pages.*

**ADDENDUM #01**

Note that any additional information will be provided via a separate Addendum.

Thank you for your interest in the Enterprise School District's bond projects.
