

# Enterprise School District COVID-19 Closure Family Guide

1

## Inform the District of Your Technology Needs

Each HOUSEHOLD needs to contact the school their child attends to let them know if they are in need of a Chrome Book or Hot Spot to access their supplemental education. If you have already provided this information to us, thank you!

2

## Wait for Delivery Information

We will use bus routes and walk routes to deliver technology.

3

## Learn from Home

Use online & other resources to keep students engaged and learning. Seniors must complete work to stay on track for graduation

4

## Call or Email with Questions

Teachers will be available to assist you during normal business hours which are from 8:00-3:00 pm.

5

## Watch for Updates

Plans may change rapidly as the COVID-19 situation changes. Please watch the school website and Facebook for updates.
